You get me loose
I want ya, that's all I do
You leave me loose
I want ya, that's all I do

Make love to me right now
Love me till I'm down

You make me groove
I want ya, that's all I do
You let me groove
I want ya, that's all I do

Make love to me right now
Love me till I'm down

Who are you?
Your magic is strange and new
Who are you?
I want ya, that's all I do

Love me till I'm down

Lyrics Herman Rarebell

Arizona really was a gas
I was screwed up in a total mess
Mindblowing all the way you know
Just out of sight
Some girl stopped me in the street at night
Ooh, what a knockout and she felt so right
Ooh, yeah she took my breath away
Just out of sight

Loved her in her car
Took me to the stars
Babe we went nuts all the way
Loved her on the moon
Morning came too soon
She got me high and loose, loose, loose

Arizona really feels alright
Girls swing here and they treat you right
Have so many special ways you know
And that's alright
Was so hard to leave and say goodbye
I'd like to stay and have another try
Mindblowing all the way you know
Just out of sight

Loved her in her car
Took me to the stars
Babe, we went nuts all the way
Loved her on the moon
Morning came too soon
She got me high and loose, loose, loose

Ooh, what a night
Such a good time
Out of sight
Yeah, what a night
Just want to cut out

My Black out

BLACKOUT

Music  Rudolf Schenker
Lyrics  Klaus Meine
        Hermann Rarebell
        Sonja Kittelsen

I realize I missed a day
But I'm too wrecked to care anyway
I look around and see this face
What the hell have I lost my taste
Don't want to find out
Just want to cut out

My head explodes, my ears ring
I can't remember just where I've been
The last thing that I recall
I got lost in a deep black hole
Don't want to find out
Just want to cut out

Blackout
I really had a Blackout

Blackout
I really had a Blackout

Blackout
I really had a Blackout

Blackout
I really had a Blackout

I grab my things and make a run
Oh, my way out, another one
Would like to know before I stop
Did I make it or did I flop
Don't want to find out
Just want to get out

Blackout
I really had a Blackout

Blackout
I really had a Blackout

Blackout
I really had a Blackout

Blackout
I really had a Blackout

Don't want to find out
Just want to get out

Blackout
I really had a Blackout!

Can't Live without You

Music by Rudolf Schenker
Lyrics by Klaus Meine
You stand in front of the band with all those scarves you hands. I see you play imaginary guitars.

Shaking your head right till the end of the set—You really turn me on. We never we ave.

Can’t live can’t live without you.

CANT LIVE WITHOUT YOU

Music  Rudolf Schenker
Lyrics  Klaus Meine

You stand in front of the band
With all those scarves in your hands
I see you play imaginary guitars
You people shaking your heads
Right till the end of the set
You really turn me on wherever we are

Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you

Put your hands in the air
So I can see you are there
I wanna see all your lights shining on
Want you to stand up and dance
Gonna leave you no chance
to take a breath between each single song

Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you

Stand up and shout
We're ready to rock we're ready to roll
Stand up and shout
Are you ready, are you ready
Come on and get it

Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you
Can't live, can't live without you
Some-time it seems a good times never will return
A lot has chang'd Blue Cause-

Evil Rules the world-
How long will it take to make the world flaming star-

How long will it take till they will stop their senseless ways
How long will it take
Will everybody understand
That we need to fill our heart with love.

Again...

The only future we got exists right now.

Col Guilt

Let take-the-time Babe-as long as the world is turning round fill our heart with love again.

Music Rudolf Schenker
Lyrics Klaus Meine

Sometimes it seems the good times
Never will return
A lot has changed, Babe
'Cause evil rules the world

You said you're looking for a place
Where there's no hate
Oh, Babe it really makes no sense
To escape

How long will it take
To make the world a flaming star
How long will it take
Till they will stop their senseless wars
How long will it take
Till everybody will understand
That we need to fill our hearts with love again

The only future we've got
Exists right now
Let's take the time, Babe
As long as the world is turning round

How long will it take
To make the earth a fireball
How long will it take
Till no more life exists at all
How long will it take
Till everybody will understand
That we need to fill our hearts with love again

It's up to you
To fight the evil in your mind
It's up to you
The more love you give, the more you'll find,
The more love you give, the more you'll find

Don't make the world a flaming star
Stop, stop all these senseless wars
How long will it take
Till everybody will understand
That we need to fill our hearts with love again

Music  Matthias Jobs
Lyrics  Herman Rarebell

I saw this girl walking down the street
I thought, oh yeah, she looks rather neat
I grabbed my chance and played my usual game
I tell you man, it can be a strain

She didn't wanna know what I'd got to say
Just shook her head and looked the other way
And then she said, I've met your type before
For me you're all the same, you're such a bore

* Oh no, don't make no promises
  Oh no, your body can't keep

* Repeat

Next day, can you believe, she was at the show
She said, hey man, you're great and she took me home
She stared to undress, what a shock to see
Padded bra, blonde wig, not much left for me

Oh no, don't make no promises
Oh no, your body can't keep

Music  Rudolf Schenker
Lyrics  Klaus Meine
        Herman Rarebell

Kick your ass to heaven
With Rock’n Roll tonight
I’ll make this night a special one
Make you feel alright
Shoot my heat into your body
Give ya all my size
I’m gonna beat the beat tonight
It’s time to break the ice

Dynamite  Dinamite  Dinamite  Dinamite

Hit the top together
Get ya with my spell
I’m gonna make my shot tonight
Take you down to hell
Eat your meat until you’re breathless
Twirl your hips around
I’m gonna break my neck tonight
I’ll get you off the ground

Dynamite  You’re Dynamite  Dynamite  Dynamite

Get it now or never
Let’s get it really tight
We’ll make this night a special one
Make us feel alright
Put your heat into my body
Give ya all my size
We gonna beat the beat tonight
Come on let’s break the ice

Dynamite  You’re Dynamite  Dynamite  Dynamite
Baby, you’re Dynamite  Dynamite  Dynamite

Dynamite  Dynamite  Dynamite  Dynamite
You Baby, you Baby
You’re Dynamite

Like it played loud
Powerhouse sounds
My body wants to rock and let it out
Really high born
Morning, till dawn
I’m going all the way, just on and on
It’s gonna be wild, it’s gonna be wild
It’s gonna be wild
Now!

Teach me to fly
Wanna stay high
I have to live it up before I die
Nightlife and booze
Girls to choose
Are you ready, Baby, come on let’s cruise
It’s gonna be wild, it’s gonna be wild
It’s gonna be wild
Now!

Getting out of control
There’s nothing that can bring me down
Nothing I’ll leave out tonight
I’m feelin’ good, I’m living now!

Like it real hot
Never can’t stop
I’m running down the line to the top
Never stay low
I’m on the go
No one holds me back from my show
It’s gonna be wild, it’s gonna be wild
It’s gonna be wild
Now!

It’s gonna be wild, it’s gonna be wild
It’s gonna be wild

Now! Now! Now! Now! Now! Now! Now!

New love is blind
Why don't you see
You hurt me inside, you're killing me
It makes me sad all the time
To see you around with all these guys
My heart's in pain
I need you so
My love's the same
So please don't go

You give me all I need
You give me all I need

Let's try again
There's still romance
We'll start a new life, take a chance
There are so many ways
Please don't forget it any day

My love's the same
So please don't go
