Disney Fake Book

OVER 240 SONGS
FOR PIANO, VOCAL, GUITAR,
ELECTRONIC KEYBOARD, AND
ALL "C" INSTRUMENTS

WHAT IS A FAKE BOOK?

One of the most useful possessions any musicians can have is a fake book. The concise, one-line music notation consisting of melody, lyrics and chord symbols acts as a “musical shorthand” that makes it possible to have hundreds of songs in just one book. As a reference guide to “fake” arrangements or for singing purposes, the fakebook is an invaluable resource for all musicians—hobbyists to professionals.

The following songs from the productions indicated are the property of:

To Chorus:
8. You go into a barber shop to get yourself a shave,
 And if you are the kind of guy who never can behave
 You ask the manicurist for a little kiss or two
 And then when you discover it's her husband shaving you, say:
To Chorus:
9. A handshake and a happy greeting's mighty hard to beat,
 So at the risk of boring you I'm going to repeat
 Remember in the future that no matter what you do
 Here's one way to get out of any mess you get into, say:
