Do I really want to know myself  
Do I want to see  
Why I'm wonderin' every morning, who's it gonna be today

Staring in the mirror, come tell me, who's that under my skin  
And what's the reason they're here for  
Tell me what is my own true face  
Tell me what is my own true face

But hey here I come  
I'm the show's main attraction  
I'm a beautiful creature  
That's what I am, yeah that's what I am

But the other side of me  
I can't explain why I've become  
Negative as can be  
I'm wonderin' where it's coming from  
I know I can't do without it, sure makes me what I am  
So I will never stop believin'  
In that I love myself someday  
In that I love myself someday

But hey here I come  
I'm the show's main attraction  
I'm a beautiful creature  
Yeah that's what I am, Hey that's what I am
