till we made our get-away.
But you said you could never see yourself trying to make a life

This would be your home and I was

on my own

But ever since you said goodbye I've been out here on the wind

And, baby, you would be surprised at all the places you have been
Chorus:

1. I've seen you in

2. See additional lyrics

3. Albuquerque

4. ev'ry where

(waiting out a blizzard...

(Instrumental to fade"

Arizona

dancing 'cross the desert

Watching the sun set in

Monterey

Girl, I swear just the other day you were

down in Georgia

pickin' them peaches

in Carolina

barefoot on the beaches

No matter where you choose to be...

Everywhere...
Verse 2:
Now-a-days, when I'm passing through,
The conversation always turns to you.
I hear you're doin' fine,
Living out by the county line.
Got a man that's home ev'ry night,
A couple of kids and the kind of life
That you want to lead.
Guess you could say the same for me.
But you and I made our choices
All those years ago.
Still, I know I'll hear you voice
And see you down the road, maybe in...

Chorus 2:
Oklahoma, drivin' 'cross the prairie.
Dallas, Texas; isn't that where we
Always said we would like to try,
But never did? So maybe that's why
You're on the highway, just beyond the high-beams.
Right beside me in all of my sweet dreams.
No matter where you choose to be,
In my heart, I'll always see you in...
(To Chorus 1:...)
