BEAUTIFUL

Words and Music by
JIM BRICKMAN, JACK KUGELL
and JAMIE JONES

Verse:

1. From the moment I saw you,
   from the moment I looked into your eyes...

2. See additional lyrics
there was something about you I knew I knew

that we were once in a lifetime a treasure near impossible to find

And I know how lucky I am to have you

Chorus:

'Cause I've seen rainbows that could take your breath away
the beauty of the setting sun that ends a perfect day.

And when it comes to shooting stars, I have seen a few. But I've

ever seen anything as beautiful as you.
And when it comes to shooting stars, I have seen a few. But I've never seen anything. Oh, no, I've never seen anything as beautiful as you.
Verse 2:
Holding you in my arms,
No one else has fit so perfectly.
I could dance forever with you, with you.
And at the stroke of midnight,
Please forgive me if I can’t let go,
’Cause I never dreamed I’d find
A Cinderella of my own.

WHEN I SEE AN ELEPHANT FLY

Words by NED WASHINGTON

Music by OLIVER WALLACE

Moderately \( \frac{m}{b} = 112 \) (\( \frac{m}{b} = \frac{3}{4} \))

Verse:

I've seen a peanut stand, heard a rubber band, I've seen a needle that winked its eye,

2. (Instrumental solo ad lib...
But I'll think I've seen about everything when I see an elephant fly. I saw a front porch swing, heard a diamond ring. I've seen a polka dot railroad tie. But I'll think I've seen about everything when I see an elephant fly.
Bridge:

I saw a clothes horse... (end solo)
I even heard a chocolate drop.

Told me that a man made a vegetable truck.
I did n't see that.

You can't deny the things that you see....
But just to be sociable, I'll take your word.

I saw a lantern slide... saw an old cow hide.
I've laughed till I thought I'd die....
But I'll think I've seen about everything when I see an elephant fly.

When

I see an elephant fly.
