"She swam by me;

happened so fast."
"Met a girl
"Saved her life;
"We made out

got my suit damp."
"She nearly drowned.
"under the dock."

drank lemonade."
"Met a boy, cute as can be."
"He showed off, splashing around."
"We stayed out till ten o'clock."

"Well, a well, a well, a well, a well."
"Uh, oh, those summer nights."
"Drifting away, something's begun."
"Uh, oh, those summer nights."

"Tell me more. Tell me more."
"Did you get very far?"
"Tell me more. Tell me more."

"Was it love at first sight?"
"Tell me more. Tell me more."
"Like, does he have a car?"

"Uh, oh, those summer nights."
Tell me more, tell me more. But you don’t got to brag—

Tell me more, tell me more. ’Cause he sounds like a drag—

BOY: “She got friendly, down in the sand.”
GIRL: "He was sweet; just turned eighteen." 
BOY: "She was good. You know what I mean."

Summer heat: boy and girl meet... But... uh, oh those summer nights...

Tell me more. Tell me more. How much dough did he spend?

Tell me more. Tell me more. Could she get me a friend?"
Slowly

GIRL: "It turned cold—er; that's where it ends." BOY: "So I told her

we'd still be friends." GIRL: "Then we made our true love vow."

BOY: "Wonder what she's do-in' now." Summer dreams ripped at the seams. But...

oh, those summer nights. Tell me more. Tell me more.
