*Verse 2:*  
 People make you promises they'll never keep;  
 Soon you'll know why people say, "Talk is cheap."  
 Life resembles one big compromise,  
 But don't ever lose the light in your eyes,  
 Don't ever lose the light in your eyes.

*Verse 3: Instrumental solo ad lib.*

*Verse 4:*  
 Somewhere down the line, you'll face the judgment day;  
 When the angels look at you, what will you say?  
 They've got a way of knowing who qualifies;  
 Just let 'em see the light in your eyes,  
 Don't ever lose the light in your eyes.  
 (To Bridge:)
