People say we got it made,
Don't they know we're so afraid?

We're afraid to be alone.

so - la - tion.
Just a boy and a little girl, trying to change the whole wide world.
We're afraid of ev'ry-one, afraid of the sun.

The world is just a little town,
The sun will never disappear.

Everybody trying to put us down,
But the world may not have many years.

don't ex-pect you to un-der-stand af-ter you caused

so much pain; But then a-gain you're not to blame.

You're just a hu-man, a vic-tim of the in-sane.
