A.D. 1928 – Rockin' The Paradise

To-night's the night  we'll make  his - to - ry
As sure as dogs  can fly

And I'll take an - y risk  to tie back the hands  of time
And stay with you here  to - night
So take your seats and don't be late
We need your spirits high

To turn on these theatre lights and brighten the darkest skies
Here at the Palace

3 times repeat
What'cha doing tonight
What'cha doing tonight
Have you heard that the word's
got faith in our gen-

gone crazy
Young Americans
listen when I

say attitudes
There's people puttin' us down
I ain't lookin' to fight
I know they're saying that we've gone lazy
But I know with determination We can challenge the schem

we've all seen better days
Don't need no fast buck, lame duck
Come on in take pride be wise and

profits for fun spotting the fools
Quick trick plants take the money and run We need the

long term slow burn gettin' it done And some straight talkin' hard workin' son of a gun
Knowing that we can't lose and we'll be

Rock-in' in Paradise

Rock-in' the Paradise tonight

You hit the same old bars rap the same old trash That's right

You've got them real silk shirts and them baggy pants
Dago shoes in the colors that match but the girls are acting bored and you're feelin' like you're going to lose.

You've got the G. Q. Blues. You get up every morning and you go to work each day.

Been doin' same damn job for ten long years this may.

You've got to work you've got to work you've got to work.

You've been working and saving for your Jamaican dream.
Paradise's waiting across the sea But when your plane lands Montego turns to Monsoon

You've got the Island Blues 'Cause Nothing Ever Goes as Planned
It's a hell of a notion
Even pharaohs turn to sand

like a drop in the ocean
You're so together you act so civilized
But
Every time that things go wrong you're still surprised
(I'm)
You've done your duty
(I've)

and paid a fortune in dues
Still got these Mother Nature's Blues

To-night the nights we'll make history, honey you and

I

And I'll take any risk to tie back the hands of time

and stay with you here tonight

I know you feel these are the worst of times

I do believe it's true

When people lock their doors

and hide inside

Rumor has it it's the end of Paradise but I

know

if the world just passed us by baby I
know I wouldn't have to cry no no The Best of Times

are when I'm alone with you Some rain some shine

we'll make this a world for two Our memories of yesterday will last a lifetime

We'll take the best forget the rest and someday we'll find
The headlines read these are the worst of times

I do believe it's true

I wish the summer wind could bring back paradise

Half Penny, Two Penny, back of the queue.
Half Penny, Two Penny, back in the states. You

Yes, sir poor man, this means you.
Justice for money, what can you say.

We all know it's the American way.
Yes, I'm gonna shake myself loose.
Back home across the sea
Where I know that I'll be free
Half Penny Two Penny ashes to dust Almighty dollar says

"In God we trust” Justice for money how much more can I pay

most
when your spirits got you
and deep inside I know that

I can feel

They say I can't last another
don't another day 'Cause I'm O-K

finally found the person I've been searching for
I'm all right I'm
feeling good about myself and... that's for sure 'Cause I believed... then when they said I

must do things their way They tried to cast... me in their mold... but I just had to say... that

I'm O.K. I'm O.K. this way yes I'm O.K.
