Come a way with me and I will write you a song.
Come away with me on a bus,
Come away where they can't tempt us with their lies.
And I wanna walk with you on a cloud.
Come away... in fields where the yellow grass grows, knees high. So won't you try to come? Come away...

with me and we'll kiss on a mountain top.

Come away... with me and I'll never...
And I wanna wake up with the rain fallin' on a tin roof

while I'm safe there in your arms. So all I ask is for you to come away with me in the night.

Come away with me.
