## Why have this card? Here are Seven great reasons

Here is the **first** reason... If you personally had 44 single line entries in the UK National Lotto on Wednesday and Saturday the cost **per week** would be £88.00, **but** with this little card, you receive 88 single line entries in a multi-win e-lottery syndicate for **just** £5.00.

Here's the **second** reason... **you win** a unique e-lottery prize by **matching** just **two** main lotto draw numbers.

Here's the **third** reason... you **win more** than the usual **£10.00** when you match **three** main lotto draw numbers.

Here's the **fourth** reason... you **win lots more** than playing on your own when you **match four** main lotto draw numbers.

Here's the **fifth** reason ... when you match **four** main lotto draw numbers **plus the bonus ball** the difference in winnings is **enormous**.

Here's the **sixth** reason ... You can play from **ANYWHERE IN THE WORLD!**

If you were playing on your own in the UK National Lotto on the 28-08-2002 and matched **four** numbers and the **bonus ball** you would have won the **four-ball** prize of **£56.00**.

**Playing the same numbers in the winning VWD e-lottery multi-win syndicate EACH member received £2,843.67.**

(Actual VWD syndicate win on the 28-08-2002)

VWD winnings to date:

**3163** syndicate wins and **154987** individual wins from only **271** lotto draws

VWD and the multi-win syndicate system comply fully with the National Lotto terms and conditions of play. VWD nor myself claim, in any way, that you will make money by becoming a member. You may make a lot, you may not make a penny.  
This is **NOT** a get rich quick scheme.

# ‘Dream Car’ Owner Yogesh Thanks VWD

UK Motoring enthusiast Yogesh Jethani (pictured above outside his home) is ‘over the moon’ after buying his ‘dream car’ with the help of Virtual World Direct.

‘I’ve been a VWD member for more than a year, he points out, ‘and, as well as being very financially rewarding, the business gives me the confidence of realizing that absolutely anything in life is possible.

‘I now have a group of 600 people and that achievement has enabled me to buy my dream car and pay the mortgage on a brand new home.

‘This is truly the most amazing opportunity to generate a passive income and play the UK National Lotto and EuroMillions the clever way.

I extend a big THANK YOU to VWD.
