True to Your Heart

Music by MATTHEW WILDER
Lyrics by DAVID ZIPPEL

By, I knew at once that you were meant for me.
in my soul, I know that I'm your destiny.

Though you're unsure,
why fight the tide?
Don't think so much,
let your heart decide.

By, I see your future, and it's tied to mine.
One you know is on your side, can set you free.
in your eyes and see you searching for a sign. But you'll

Can do that for you if you believe in me. Why

Never fall 'til you let go. Don't be so scared of what

Second guess what feels so right. Just trust your heart and you'll

You don't know. True to your heart, you must be true.

To your heart. That's when the heavens will part, and baby,
show - er you with my love. O - pen your eyes, your heart - can tell -

you no lies. And when you're true to your heart, I know it's

gon - na lead you straight (Got to be true)
to your heart.)

Some -
gon-na lead you straight to me.

(Ya know it's true.)

Your heart knows what's good.

for you. (Good for you, oh.)

Let your heart show you the way. (You know it's true.)

It'll see you through.
(Got to be true to your heart.)

Girl, my heart is driving me to where you are.

You can take both hands off the wheel and still,
--- get far. Be swept away, ---

joy the ride. You won't get lost with your

heart to guide you. True to your heart, you must be true.

--- to your heart. That's when the heavens will part, and baby,
show - er you with my love. O - pen your eyes, your heart can tell.

you no lies. And when you're true to your heart, I know it's
gonna lead you straight to (True to your heart,) You must be true.

gonna lead you straight to (Got to be true.)
When things are gettin' crazy
When all the world a-round you,

and you don't know where to start,
keep on believin', baby;
it seems to fall a-part,
keep on believin', baby;

just be true to your heart.
just be true to your heart.
