*Verse 2:*

It still feels like our best times are together.  
 Feels like the first touch, we're still gettin' closer, baby.  
 Can't get close enough.  
 We're still holdin' on, you're still number one.  
 I remember the smell of your skin, I remember everything.  
 I remember all your moves, I remember you, yeah.  
 I remember the nights, you know I still do.  
 So, if you're feelin' lonely, don't.  
 You're the only one I'll ever want.  
 I only wanna make it good.  
 So, if I love you a little more than I should, . . .  
 (To Chorus:)
