Let's just press more money
Vocal

Like in the year thirty-eight
Don't worry about the inflation
Oh won't we ever learn
We...got to have more weapons to carry on...

This time it's gonna be different
Unemployment and sorrow
Can not be avoided at this point
And let the children but things will be so different

I'm out on the open sea, the wind is embracing me.
A morning of no recall, no memory, nothing at all.

I'm watching the setting sun,
The sun is blinding my eyes.
Far far away from you there's not much that I could do
The pain I feel in my head I think I'll go back to bed

Do you know what's the only way for
Or should I have just one more
