won't escape my attention
You keep your distance with a

system of touch
and gentle persuasion.

I'm

lost in admiration could I need you this much.
Oh you're just

wasting my time you're just just just wasting time.
(CHORUS)

G

Something happens and I'm head over heels I never find out till I'm

Verse 2: 
I made a fire and watching it burn
Thought of your future
With one foot in the past now just how long will it last
No, no, no have you no ambition
My mother and my brothers used to breathing clean air
And dreaming I'm a doctor
It's hard to be a man when there's a gun in your hand
Oh I feel so........
La la la la la la la la la la

(x 4)

In my

minds eye

one little boy one little

man funny how time flies.
