Verse 2:
 She's all dressed up for glamour and rock and roll
 Wanna squeeze her real tight
 Get out of this place
 If only I could take control
 But she's out of my reach forever
 And just a week ago
 She lied next to me
 It's so ironic how
 I had to lose just to see
 That I failed to love you
 And you're taking it out tonight.

How am I supposed to leave you now etc.
