wild child

Words and Music by Enya, Nicky Ryan and Roma Ryan

1. Ever close your eyes, ever stop and listen?
2. Only take the time from the helter skelter.

Ever feel alive and you've nothing missing?
Ev'ry day you find ev'rything's in kil-ter.
You don't need a reason, let the day go on and on.
On.

Let the rain fall down, ev'rywhere around you.
Ev'ry Summer sun, ev'ry Winter evening, ev'ry Spring to come,

let the day sur-round you. You don’t need a rea-son,
ev-ry Au-tumn leav-ing. You don’t need a rea-son,
let the rain go on and on.
let it all go on and on.

What a day, what a day to take to.
What a way, what a way to
make it through. What a day, what a day to take to—a wild child.

What a day, what a day to take to. What a way, what a way to make it through.

What a day, what a day to take to.
What a way, what a way to make it through.

What a day, what a day to take to.
Take to a wild child.

What a day, what a day to take to.
Take to a wild child.
