dream will take possession of your heart.

Refrain (slowly, with expression)

You start to light her cigarette
And all at once you love her. You've scarcely talked.
you've scarcely met.    But all at once you
love her.    You like her eyes.
you tell her so.    She thinks you're wise and
clever.    You kiss good-night
and then you know
You'll kiss good-night for-

ever.
You wonder where

your heart can go
Then all at once you

know.
