If you go away on this summer day, Then you might as well take the sun away, as I know you will. You must tell the world to stop turning.

All the birds that flew in the summer sky, When our love was new and our hearts were trust. Just an empty room, full of empty space. Like the empty look I see on your face.

When the day was young and the night was long, And the moon stood still for the night bird's song. If You Go Away, If You Go Away, If You Go Away, If You Go Away, please don't go away.
