Verse 2:
Hello? Do you miss me?
I hear you say you do,
But not the way I’m missing you.
What’s new? How’s the weather?
Is it stormy where you are?
You sound so close,
But it feels like you’re so far.
Oh, would it mean anything
If you knew what I’m left imagining
In my mind, in my mind.
Would you go, would you go...
(To Chorus:)
as for you... If you feel... you can't wait till morn-ing... kiss the rain...

To Coda II

kiss the rain... kiss the rain...

2. Hello?

would you go... kiss the rain?
Can you hear me? Am I getting through to you? Hello?

Is it late there? There's a laugh-ter on the line. Are you sure you're there-alone? 'Cause I'm trying to explain. Something's wrong.

you just don't sound the same. Why don't you go outside.
