Un-tamed and wild, wings on your feet,
O-ver the crest, trav-el in west,
Some-where a lark pours out his heart,

E A E E6 Emaj7 E

born to wan-der and to roam.
when the cov-ered wag-ons go.
when the prai-rie moon is new.

Ab Bbm7 Ab Ab6 Abmaj7 Ab
god put a sad-dle on your rest- less heart,
Green are the a-cres of your na-tive land,
Comes then the mu-sic of a dis-tant dream,
cresc.
out on the plains of Oklahoma.

some where a green-er wind is blow - ing.

comes then the long-ing for your true love.

Tempo I

Move a long,

Risin' moon,

what do the wag-on wheels say?

what do the wag-on wheels say?

what do the wag-on wheels say?
