Come gath - er 'round, chil - dren, it's high time ye learned.

'bout a he - ro named Ho - mer and a dev - il named

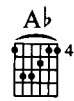

Burns. We'll march till we drop, the

simile

girls and the fel - las. We'll fight till the death or else

fold like um - brel - las. So we'll march day and

night by the big cool - ing tow - er. They have the

plant, but we have the pow - er.
