You're the best friend that I've found.

I know you can't stay.

And I know that you'll be there.

But part of you will never, never go away;

you're everywhere.

er, er go, a way;

your heart

will stay.

ways care.

I'll make a wish for
you and hope it will come true: that life will just be kind

to such a gentle mind. If you lose your way, think back on yesterday.
Remember me this way. Remember me this way.
I don't need eyes to see the love you bring to me no matter where I go.

Remember me this way. And I'll be right behind your shoulder watching you. I'll be

standing by your side in all you do. And I won't ever

leave. as long as you believe. You just believe.

I'll make a wish for you and hope it will come true:
