Verse 2:

I'm gettin' tired layin' around here at night,
 Thinkin' 'bout some other guy holdin' you tight.
 He may have money and a brand new car;
 He may even treat you like a movie star.

Verse 3:

And no matter what he ever does for you,
 He can never love you like I can do.
 So if I leave her, and you leave him,
 Can we ever get it back again?

(To Chorus:)
