Verse 2:

I can't tell you why stars come out in the evening,
 And I can't tell you where they go when they're gone.
 And I don't have a clue what makes a flower grow.
 Loving you is all I know.
 (To Chorus:)

Verse 3:

I can't really say if there is a heaven,
 But I feel like it's here when I feel you near me, baby.
 I'm not sure of that much, but that's just how it goes.
 Loving you is all I know.
 (To Chorus:)
