TIME AFTER TIME

Words and Music by CYNDI LAUPER

Moderately Fast Rock

Lyin' in my bed I hear the clock tick and think of you.

caught up in circles confusion is nothing new.
Flash back. warm nights. almost left behind.

Suit case of memories time after. Sometimes you

picture me. I'm walking too far ahead.

You're calling. Watch through
to win me. I can't hear what you've said.

Then you say...
go stolen
slowly
I fall behind
from deep inside

The second hand
The drum beats out

unwinds
If you're lost you can look and you will find me

time after time
If you fall I will catch you I'll be

waiting
time after time

If you're lost
you can look and you will find me

If you fall I will catch you I'll be waiting
