Verse 2:

Somebody tried to tell me love won't last forever,
 Said it only happens in your wildest dreams.
 After all is said and done we're still here together.
 Never listened to the lies and jealousy.
 (You better stop.)
 Don't you let 'em turn you around.
 (You better stop.)
 Hang on to this love that we've found.
 Nothing that they say can stand in our way.
 (To Chorus:)
