CHINA ROSES

Music Composed by Enya and Nicky Ryan
Lyrics by Roma Ryan

Who can tell me if we have heaven, who can say the way it should be;
You talk of the break of morning as you view the new aura,
moonlight holy, the Sappho Comet,
cloud in crimson, the key of heaven,
an angel's tears below a tree,
one love carved in a cajou.

One told me of China Roses, one a thousand nights and one night, earth's last picture, the end of evening;
hue of indigo and blue.

new moon leads me to woods of

dreams and I follow. A new world waits for

me: my dream, my way.
I know that if I have heaven there is nothing to desire.

Rain and river, a world of wonder may be paradise to me.

Hope has a place in the lover's heart.

Look to love, you may dream, and if

it should leave then give it wings. But if such a love is

meant to be; Hope is home, and the heart is free.
Under the heavens we journey far, on roads of life we're the wanderers.

So let love rise, let love depart, let hope have a place in the lover's heart.

Hope has a place in a lover's heart.
Look to love and you may dream, and if

such a love is meant to be; Hope is home, and the heart is

free. home, and the heart is free.

I have been given one moment from
