Ah, ah, we may be big or small, or black and white
golden years we get to live

e-ter-nal-ly and black and white is you and me in a spe-cial light
we lead the way to-mor-row we can start to-day in a spe-cial light
Love could be

young or old or in be-tween, but this much I know, to-get-her we can
good or bad or in be-tween, but this much I learn, ba-by, you and

learn to grow... in a world that's ever turning its back
I can learn... in a world that's rearranging its rear
to light a fire when it's cold

on you,
ality,
outside,

if you give it all away make it

mine (ine) (ine) (ine) (mine. )
You are desire, every

Chorus

'try - thing you need I give you right or wrong and you are the wo
man that I base my whole existence on, and when I get to you, my desire is glowing in your light.

These are the I I

D. S. to Chorus and fade

And it's nice
