It's been raining since you left me now I'm drowning in the flood,

you see I've always been a fighter but without you I give up.

Now I can't sing a love song like the way it's meant to be, well I

guess I'm not that good anymore, but baby that's just me. Yeah,
I will love you baby,
always and I'll be there forever and a day,

I'll be there till the stars don't shine, till the
heavens burst and the words don't rhyme, I know when I die, you'll be on my mind and I'll

Verse 2:
Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye.

What I’d give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers
Try to understand, I’ve made mistakes, I’m just a man.

When he holds you close, when he pulls you near
When he says the words you’ve been needing to hear
I’ll wish I was him, ’cause those words are mine
To say to you till the end of time.
