HERE WITHOUT YOU

Moderately slow \( \frac{J}{\text{Q}} = 72 \)

Verse:

days have made___ me older since the last time that I saw your pretty face
miles just keep rollin' as the people leave their way to say hello

A thousand
I've heard this
lies have made me colder,
and I don't think I can look at this the same...
life is overrated,
but I hope that it gets better as we go...

But all the miles that separate,

they disappear now when I'm dreaming of your face.

To Next Strain
I'm here without you, baby,
but you're still on my lonely mind. I think about you, baby,
and I dream about you all the time. I'm here without you, baby,
but you're still with me in my dreams.

And tonight.
1. There's only you and me. yeah...

2. The girl, there's only you and me.

Bridge: Everything I know and everywhere I go,
it gets hard, but it won't take away my love.

And when the last one falls, when it's all said and done...

it gets hard, but it won't take away my love.

Whoa, whoa...
