For so great a treasure words will never do.

Surely, if this is, promises are mine to give you, mine to give. Here,

all too soon the day! Wish the moon to fall and alter
our tomorrow. I should know heaven has her way, each one given memories to own. 

Angels all could be should you move both earth and sea. Angels, I could feel
all those dark clouds disappearing.
Even, as I breathe,
comes an angel to their keep. Surely, if this is,

promises are mine to give you, mine to give.
