2. Images of broken light which dance before me like a million eyes,
That call me on and on across the universe,
Thoughts meander like a restless wind inside a letter box,
They tumble blindly as they make their way across the universe.
3. Limitless undying love which shines around me like a million suns,
It calls me on and on across the universe,
Sounds of laughter shades of eath are ringing through my open views,
Inciting and inviting me
