why ————— I cry, ————— On - ly the

1. D7 2. G

lone - ly, ————— On-ly the lone-ly. —————

2. Only the lonely
 Know the heartaches I've been through
 Only the lonely
 Know I cry and cry for you
 Maybe tomorrow, a new romance
 No more sorrow, but that's the chance
 You've got to take if you're lonely
 Heartbreak, Only the lonely.
