IT'S A BEAUTIFUL DAY

Words and Music by Queen

It's a beautiful day, the sun is shining, I feel
good and one's gonna stop me now, oh yeah.

It's a beautiful day, I feel good, I feel right and
no-one, no-one’s gonna stop me now, ma-ma.

Sometimes I feel so sad, so sad, so bad, but

no-one’s gonna stop me now, no-one, it’s hopeless, so hopeless to even try.
MADE IN HEAVEN

Words and Music by
Freddie Mercury

I'm taking my ride with destiny,
having to learn to pay the price, they're

willing to play my part,
turning me upside down,

living with painful memories,
waiting for possibilities, don't see too many around. Made in
deep in my heart.

I'm yeah, yeah. When stor-

weather comes around, it was made in heaven, when sun-

break through behind the clouds. I wish it could last for-

yeah,
Yeah, wish it could last forever, forever.

Playing my role in history, looking to find my goal, taking in all this misery, but
giving it all my soul.
Made in heaven, made in heaven, it was all meant to be,
be, made in heaven, made in heaven, that’s what everybody says, wait and see,
it was really meant to be, so plain to see, yeah, everybody, everybody, everybody tells me so, yes it was plain to see, yes it was meant to be written in the
stars,
written in the stars,

written in the stars.

I don't want to sleep with you,
I don't want to make no waves,
I don't want a stormy affair,
I can't take it if you see me cry,

I don't need the passion too,
but you can give me all the love that I crave,
to make me feel my life is heading somewhere,
I long for peace before I die,

I walked too long in this lonely lane; I've had enough of this same old game; I'm

I don't want pity, just a safe place to hide,

Words and Music by
