Moderato

I heard you on the wireless back in fifty two
ly-ing a wake intently tuning in on you

If I was young it didn't stop you com-in' through (noh-oh-oh-oh)

They took the credit for your second symphony
re-write by machine on new technology
And now we meet in an abandoned studio
we hear the playback and it seems so long ago
and now I understand the problem you can see (oh - wa ooh - wa) I met your children.
and you remember - the jingles used to go (oh - wa ooh - wa) You were the first one.

(oh - wa ooh - wa) What did you tell them, Video killed the Radio star, Video killed the Radio star.
(oh - wa ooh - wa) You were the last one, Video killed the Radio star, Video killed the Radio star.

Video killed the Radio star, Pictures came and broke your heart, oh oh oh oh oh.

In my mind and in my ear we can't re - wind we've gone too far, oh oh oh oh oh.

oh oh oh oh oh oh oh oh oh oh oh oh.
